Dear Prospective Member:

Thank you for your recent inquiry concerning Membership in this Association. RACCA is Florida's oldest, largest and most active local HVACR contractors association.

Our Association's approach to membership dues is unique when compared with most other trade associations. Like most, we have an annual dues fee. What sets us apart from others is that we also offer a monthly pay-as-you-go dues structure.

Annual dues for a Level 1 contractor member are \$712.00 per year. If you elect to pay annually you are entitled to a 5% discount - reducing your initial payment to \$676.00 and should accompany this application. On your anniversary date you will be billed for the next year's dues. If your dues payment is received before the end of the billing month you receive the 5% discount.

If you elect to pay monthly, the cost is \$59.00 per month. Your first month's dues should accompany this application. At the beginning of each dues month, thereafter, you will be billed \$59.00.

I have enclosed some information on the Association and a brief summary of benefits and services. If you have any questions, please don't hesitate to call me.

Sincerely,

Cheryl Harris
Executive Director

Annual dues for Associate Members are \$450.00, in advance.

Memberships are calculated on a calendar year basis for renewal purposes during the second year. Example; your membership becomes effective on August 1st of one year and is good through September 30th of the following year. You will then receive a pro-rated dues statement through December 31st of that second year. This will allow us to place you on a calendar year billing basis (January 1 - December 31) for the third year.
