New 2020 Code Updates & Refrigerants

Hear about the 2020 Building Code changes that go into effect later in 2020 and understand how that will affect your daily business routines and field operations. Also, get a summary of the current legislative issues that will affect the HVAC Industry.

Speaker: Bob Cochell - Owner Gulf Coast Air Systems

Known as a leading HVAC expert in the Tampa Bay area for over 30 years. He is a former president of both RACCA and FRACCA, as well as a voting member of both the Florida Building Commission and the City of Tampa Mechanical Board. In conjunction with FRACCA, Bob teaches CEU courses statewide on all subjects concerning air conditioning, code compliance, and application of equipment. He evaluates and recommends changes to the Florida Building Code to the FBC Commissioners on matters concerning energy, heating, cooling, ventilation, efficiencies, and building practices.
